Township of Frontenac Islands**

HOWE ISLAND PITCH IN 2016

Saturday, April 23

(Rain day: April 24)

The Township of Frontenac Islands and the Howe Island Ratepayers Association are again co-operating in the 2016 clean-up of our Island's roadsides. This campaign has been successful helping to keep the natural beauty of our island.

The Island's roadsides have been divided into easily manageable sections for clean-up. To volunteer to patrol a stretch of road, please call Bill Worona at 613-549-4617 or email him at woronab@hotmail.com. Even if you have historically picked up the same section, please let us know, to avoid duplication. Some sections have been revised to provide equalization. Bags and instructions will be provided at the Township office on Baseline Rd on the 23rd.

Join us and pitch in on April 23rd.
